## **Megan L. Brown, DO**

Pediatric Emergency Medicine & Clinical Assistant Professor  
Shands Hospital

Megan Brown was a Pediatric Emergency Medicine Physician at Joe DiMaggio Regional Hospital for 2003-2006. In November of 2006 she was hired by the University of Florida College of Medicine to start a Pediatric Emergency Medical Department at Shands of AGH in Gainesville, Florida. In May of 2008 the Pediatric Emergency Department moved to Shands Hospital where it continues to develop and grow. Megan is also a Clinical Assistant Professor where she lectures residents and other attending on a variety of pediatric emergency medical subjects. Megan's latest involvement has been to volunteer for NASA's medical team which is on standby for takeoff and landing of the space shuttles.

Megan is also part of FEMA's National Disaster Medical team deploying for hurricane's Katrina and Galveston and Ike. Most recent deployment was the January 20, 2009 Presidential Inauguration of President Obama.
