

Patty Riskind
Senior Vice President, PatientImpact
A Press Ganey Company

Patricia Riskind is Senior Vice President, PatientImpact, of Press Ganey Associates, Inc. With 20+ years of healthcare industry experience, Patty strives to help healthcare providers seize market opportunities by better understanding their customers' needs.

Patty was formerly CEO of PatientImpact LLC. Press Ganey acquired PatientImpact in November 2009 and now the company serves as Press Ganey's subsidiary serving the outpatient market with its electronic survey application. Prior to PatientImpact, Patty co-founded 3d Health, Inc., an ambulatory strategy consulting firm; was COO of Tiber Group, now part of Navigant Consulting; Executive Director of Business Development for Health Forum, a subsidiary of the American Hospital Association; VP of Operations for Dorenfest and Associates, now part of HIMSS Analytics; and VP of Product Development for Sachs Group, now part of Thomson Reuters.

Patty has a B.A. with honors from Brown University and an MBA from the J.L. Kellogg Graduate School of Management, Northwestern University.
