

Urgent Care Association of America

Peter Schochet, MD

Dr. Schochet is Board Certified Pediatric Pulmonologist. He is in private practice in Plano Texas, but he maintains a practice at UT Southwestern where he is a Clinical Assistant Professor of Pediatrics.

He graduated from The University of Pennsylvania in 1986 and attended Temple University School of Medicine and graduated in 1990. From Philadelphia he traveled to Houston Texas to complete his pediatric residency at Baylor College of Medicine/ Texas Children's Hospital.

He completed his Pediatric Pulmonary Fellowship at Harvard Medical School/Boston Children's Hospital.

He has participated in numerous clinical trials for asthma. Dr. Schochet has spoken nationally and internationally on respiratory disease in children in topics ranging from asthma to the respiratory management of neuromuscular disease.

He helped create the Multidisciplinary Adolescent Muscle Clinic, at Children's Medical Center in Dallas, to manage older teens with neuromuscular disease. He also helped create the Multidisciplinary Early Onset Scoliosis Clinic at Texas Scottish Rite Hospital for Children.

He consults at numerous area hospitals.

Both Texas Monthly and D Magazine have recognized him as a "Top Doctor".
