

# Urgent Care Association of America

**Joseph Toscano, MD**

Joseph Toscano, MD received his medical degree from Duke University School of Medicine in 1989 and trained in internal medicine at the Naval Hospital in San Diego. He has worked in the areas of emergency medicine and urgent care for over fifteen years.

He has been an attending emergency physician at San Ramon Regional Medical Center in San Ramon, California for ten years and is an instructor in Advanced Cardiac Life Support and Pediatric Advanced Life Support.

Dr. Toscano is also an attending physician in the urgent care clinic at the Palo Alto Medical Foundation and was previously a partner and corporate medical director for Pinnacle Medical Group, which operates five urgent care clinics in California and Arizona.

In addition to caring for patients, he is senior research editor for Emergency Medicine Practice, a monthly, evidence-based, emergency medicine CME publication. He is a member of the editorial boards for the journals, Emergency Medicine and the Journal of Urgent Care Medicine, and develops and reviews continuing medical education material in urgent care and emergency medicine for a variety of other publications and organizations. He is an active member of the Urgent Care Association of America.
