## REGISTRATION DETAILS

### Group Discounts\*\*

For 4 or more people registering together, a 20% Group Discount will be applied to current tuition rates under the following conditions:

- All members of the group register simultaneously
- All members of the group pay with one payment (single credit card or one check)
- Substitutions are allowed at later dates and will include the discount
- Additional registrants (not substitutions) will be registered at prevailing rates and not included in group discount

**EXAMPLE:** 4 member registrations with “regular” tuition rates equals \$700 per person, minus the 20% discount, now equals \$560 per person. For a group total of \$2240. The group should send **one check or credit card payment** for the total of \$2240.

### Cancellation Policy
