

NEW AT SPRING 2012

UCAOA AND THE URGENT CARE FOUNDATION

PRESENT

UCF's
First Ever
Fundraising
Event

FOOTSTEPS FOR THE FOUNDATION

is a chance for you to support the Urgent Care Foundation (UCF) as you walk around Caesars Palace and Las Vegas during the Convention.

As a Footsteps participant you'll receive a t-shirt commemorating the walk, and a pedometer to track your footsteps during the Convention.

The participants who walk the farthest will win prizes donated by our Footsteps sponsors! **All convention attendees, exhibitors, faculty and guests can participate, and will be eligible for prize drawings.**

Remember....every step counts! So use your Footsteps for the Foundation!

OUR MISSION

The mission of the Urgent Care Foundation (UCF) is to provide support for educational development and research in the field of urgent care medicine, and to contribute to humanitarian healthcare efforts.

Your support of the Urgent Care Foundation will enable us to:

- Attract more practitioners to the Urgent Care field through Fellowship Programs
- Expand the development of continuing education programs for the discipline
- Fund Research to substantiate the impact of Urgent Care on healthcare in the U.S.

TO PARTICIPATE:

Wear your pedometer for the entire meeting – wherever you go, your pedometer will record your number of steps for the week. Try to walk as many steps as possible – it's good for you and for UCF! Thank you for being a walking ambassador for the Urgent Care Foundation!

Did you know? You'll walk 15-20 miles...

...while you're at the Convention!
