The Fall Conference is Coming!

October may *seem* like a long way away - but the **early registration deadline** for the Fall Conference is in August - so start making your plans NOW so you don't miss out on early tuition discounts!

Full agendas for all courses are now available on the website - [click here for more info and to register today!](#)

FTC "Red Flags Rule" Webinar June 23 2pm Eastern/1pm Central

You may not have heard about this yet, but the Federal Trade Commission has established a new "Red Flags" rule that - despite best efforts - looks like it will apply to all medical offices, **including urgent care centers.**

The Red Flags Rule details policies you must have in place to combat identity theft. This webinar will tell you how to be in compliance by the August 1 deadline.

Faculty: Kenny Engel, Martin Gottlieb Associates

NOTE: The session will be recorded and archived in Members Only - but **if you are a NON-MEMBER, you must be present for the webinar to access.**

Online Urgent Care Lectures Now Available

Fifty-five new urgent care-specific lectures have been added to the online urgent care lecture library.

We know it's important to have information when you need it - not just twice a year at conferences - so we encourage you to use this resource. We've also discounted the per-lecture price by 50%!

[Click here](#) for the full lecture listing and how to order - **lectures are accessible immediately after purchase.**

Remember: if you attended the Las Vegas Main Convention - all these lectures are free for you - don't let this benefit go to waste!

New JUCM Online

The Journal of Urgent Care Medicine (JUCM) is now available in a fully-interactive online format.
