

## Urgent Care Association of America

**Steven P. Sellars, MBA**

Steve Sellars is the CEO of Premier Health. Steve has more than 17 years of healthcare management experience, including eight years in the managed care industry and five years with the largest health system in the Gulf South.

Steve's background includes significant executive management and consulting experience with physician groups, hospitals, and other healthcare organizations. In addition, Steve has extensive experience in practice management, site selection and practice expansion, managed care contract negotiations, and strategic planning and development.

Premier Health affiliated entities include Lake After Hours (Baton Rouge, LA), Lourdes After Hours (Lafayette, LA), Ascension Urgent Care (Prairieville, LA), Riverside Urgent Care (LaPlace, LA), Bay Point Urgent Care (Tampa), Lake Charles Urgent Care (Lake Charles, LA), Rapides After Hours (Alexandria, LA), and Total Occupational Medicine (Baton Rouge, LA).

Steve is a board member for a multi-site rehabilitation company and the Baton Rouge Primary Care Collaborative, serves on the Urgent Care Association of America Certification Committee, and is a member of the Medical Group Management Association. Steve received a Bachelor of Science and M.B.A. from Louisiana State University in Baton Rouge, Louisiana.
