In light of the unprecedented circumstances surrounding the COVID-19 pandemic, we have made the difficult, but necessary decision to cancel the 5th Annual Foundation Celebration & After Party. To better assist our members, we have redirected our fundraising efforts to support the urgent care industry during the COVID-19 crisis with the launch of the NEW COVID-19 Emergency Fund.

Our world has changed and now we have a short time to plan for what’s next.

Goal $500,000

UCF COVID-19 Funds will be used to support urgent care clinicians with resources, education and advocacy during this crisis including:

- **2020 Clinical Consortium** (late summer) to bring together clinicians and the public health community to share lessons learned, best practices and preparation for 2020-2021 influenza season
- **COVID-19 Listserv** maintenance for providers to share information, ask questions, stories and support for each other
- **Advocacy support** to champion urgent care legislative and regulatory interests at the federal, state and local levels on issues like PPE and access to testing
- **Education**, webinars and grants to create new resources

Please join us in our mission to fight this virus and save lives with our Coronavirus (COVID-19) emergency fund. It takes ALL of us to come together to fight this pandemic. Please donate now.
